House of Colour's Personal Stylists will uncover your true potential and show you how to present your unique personality in the colours and styles that suit you best. Since 1985 thousands of satisfied House of Colour clients, throughout the world, can testify to the life-affirming benefits of our service, provided by our elite team of image consultants. We guarantee that our clients will experience renewed self-confidence and enhanced self-esteem through Colour Analysis and our re-evaluation of their Image.

About HoC
Fashion is important, but true style is personal to you. House of Colour can help you to look fabulous and radiate confidence in the colours and shapes that suit you as an individual. Let's face it, you know when you look amazing. Your face lights up, your eyes sparkle and everyone pays you compliments. Actually, that's the real you. We can make you feel amazing every single day.

THE SECRET TO LOOKING GOOD IN EVERYTHING YOU WEAR

Get ready for the compliments. Colour analysis takes your natural colouring and equips you with the knowledge and confidence to look fabulous - effortlessly, every single day.

"WHAT COLOURS SUIT ME"

YOU KNOW THAT COLOUR? The one that lights up your face and makes you look gorgeously vibrant and healthy? A HoC colour consultation will give you a whole

spectrum of them - a season of colours that naturally harmonise with your unique

skin tone and eye colour. And then we'll take it further. Your colour consultant will find the 'wow' colours within your season, those with the most impact for you personally. We won't have to convince you. You'll see the difference for yourself, instantly - a rainbow of colours that match perfectly with you. You'll look fresher, younger, with a naturally radiant glow. You'll feel more confident, alive to new possibilities. You'll just know that you look great. Getting dressed in the morning becomes quick and easy. Shopping will be a breeze. No more wasting money on the "bargain" you never wear. Your whole wardrobe will be co-ordinated. Mix and match, it's guaranteed to go together. Don't worry, you won't have to throw out all your clothes and make-up. We can help you make small changes to look and feel amazing with what you already have. What's more, we'll never tell you what to do. Learning at your own pace, you'll gain life-changing colour expertise that gives you confidence from the outside in. Then follow up with the other part of the jigsaw.....Welcome to House of Colour - Find your Personal Stylist, Image Consultant and Colour Analysis expert. House of Colour provides the best colour and style analysis for men and women of all ages available on the market. Our knowledgeable Image Consultants have received the most thorough and comprehensive Personal Stylist Training and work with you in small groups or on an individual basis depending on your preference. We deliver accurate colour analysis to find the colours that harmonise with your natural skin tone, hair and eye colour. We also work with your body architecture and personality to discover your individual style. ...more
