Dorset Home Help Service offer non-medical support, focusing on companionship whilst assisting our clients with their daily needs. Respite for family carers, medication prompt, transport home after a hospital discharge. Accompaniment to appointments eg: doctors. All staff are DBS screened and are hired for their love of animals and will provide pet care. We will help preparing a meal/meals on wheels, light housekeeping and laundry. Food shopping and errands and helping you to enjoy community activities. Our staff offer an unhurried professional service prioritising clients wishes. About Dorset Home Help Service  
Dorset Home Help Service are a group of caring, hardworking individuals who provide an excellent home help service, for clients who need companionship and support. Personal assistants are all animal lovers and are willing to provide the same level of care to your pets. We are client led putting clients at the centre of our service. All our personal assistants are DBS checked. Service Home Help Service
