We are an innovative form of alternative finance, a marketplace lender matching the financing requirements of businesses and entrepreneurs with funders seeking returns above the current low interest rates available elsewhere. We offer financing and flexible funding to small-medium enterprises (SMEs) and entrepreneurs, including bridging and development finance and secured cash flow funding for businesses. Our bespoke digital funding platform allows users full access to data and information on funding opportunities throughout a range of sectors, businesses and products with the ability to deploy funds at the touch of a button. Sancus BMS Group Limited has offices in the UK, Ireland, Jersey, Guernsey, Gibraltar and the Isle of Man*.
