Regis Bentley are an established firm of Independent Advisers based in Central Southampton. We are authorised directly by the Financial Conduct Authority, and will only advise on Pensions and Investments covered by the Financial Services Compensation Scheme. We provide investment advice primarily to individuals, families and companies who have in excess of £100,000 in investable assets. We also provide advice on Life, Critical Illness and Income Protection life assurance contracts, again we have access to the whole of market. Our clients include individuals, families and SME Firms, and we will always seek the best value and cover for them.
