

McKenzie's Indoor Secure Airport Parking

Unit 3 The Parkway
Balthane Industrial estate
Ballasalla IM9 2AG
Isle of Man

Phone: 01624820156

Welcome To McKenzie's A small family business run by a Husband and Wife team. Here at McKenzie's Indoor Secure Airport Parking we are proud to be the only provider on the Island to leave your car undercover when travelling from the Airport. We are fully insured and protected by CCTV and Alarm Systems monitored on and off site. We offer the best rates around when compared to outdoor public or other service provider parking and transfers to and from the Airport are included. Our first day is charged at just £12 with each additional day only £4 per day. In addition to Airport parking, we also offer Professional Valeting at our premises here on Balthane Industrial Estate. Time served in excess of 16 years, our Valeter is experienced in every aspect and our range starts from just £35. So whether your heading away for the weekend, business trip or holiday and want to leave your car with us for parking, valet or both, give us a call and see why we are fast becoming the Number 1 choice!

Brand Grade: Grade One
