With this cloud-based Learning Management System, Learners can access training using Internet-enabled device from anywhere in the world .

This professional Hosted LMS has been pre-loaded with online learning versions of all our courses. You just add learners! Our Learning Management System includes 1 users. Upload your own logo to create a custom login portal for a seamless integration with your existing website or company intranet. Quickly add learners, track progress, and create detailed reports in minutes.

Should you require more than our standard base of 100 users, please call us at 1-877-610-3665 and we will be happy to discuss your specific needs. We can also provide the source files so that you can edit the eLearning courses (plus you'll get all of the instructor-led workshop materials for blended learning!)

Brand Grade: Grade One
