Sam is a Sales and Master Mindset Coach, Certified Transformation Coach, CBT and REBT Therapy Coach, graduate of psychology and Leader of Nottingham Women's Business Club. With over 26 years experience in sales and passionate about helping other women exceed their full potential, Sam is committed to empowering and supporting women in business to sell with confidence and skyrocket their sales. Using her own sales and mindset system, Sam creates bespoke 1:1 private coaching and sales training programmes for women in business and their teams. She offers this via Zoom or Skype as well as face to face where possible. How Sam can help you: • Show you how to remove any mind blocks that could be holding you back and sabotaging your success. • Teach you techniques you can use whenever you need to boost your confidence, so you no longer fear asking for the sale. • Give you proven strategies and processes that will skyrocket your sales. In a few short weeks you can expect to double or even triple your sales, feel confident every time you make sales and follow up calls AND easily overcome any objection thrown at you.
