Quid Pro Quo Media is the dedicated media division of BBX (<https://bbxuk.com>), one of the world's largest business trade exchanges, established in 1993. With offices in the UK, Ireland, Australia, New Zealand, Singapore, India, Thailand, Malaysia and Costa Rica; we have extensive experience across most media types, including: TV, radio, printed media, OOH & DOOH, sponsorship & promotion, events & exhibitions, and digital media. Our mission is to support community and environmental causes by unlocking the value in unsold advertising and by letting organisations purchase advertising with their own unsold inventory or spare capacity instead of cash.
